

Keith's Panel Shop

37 years trading · 3 generations · Stamford Hill, Durban

- Owner: Reece Williamson
- Sons Cameron & Luke now involved
- Listed on 8+ directories, no own website

WHAT THIS GIVES YOU THAT COMPETITORS DON'T HAVE

- 1

Instant Online Quote

Customers upload photos of the damage and get an estimated quote range before they even call — no competitor checked offers this.

First-mover advantage
- 2

Live Repair Status Tracker

Customers see exactly where their car is in the repair process without phoning to ask — assessed, parts ordered, in repair, ready.

Zero competitors have this
- 3

Insurance Rights Messaging

Clearly explains customers' legal right to choose their own panel shop for insurance claims — turning a consumer right into a marketing edge.

Consumer education
- 4

Before/After Gallery

37 years of repair work, visually proven — a credibility asset competitors with no website cannot show at all.

Builds trust

Indicative investment: from R8,000, live within 1-3 weeks.
