PART C — PAIA ANNUAL REPORT QUESTIONNAIRE

Statement of Context

Proaxis Solutions (Pty) Ltd was incorporated on [VERIFY: exact incorporation date from CIPC] in 2025. The company is a small technology and AI automation firm and is in its startup phase. During the reporting period from **1 April 2025 to 31 March 2026**, no PAIA requests for access to information were received. This Annual Report constitutes a **Nil Return** as permitted for private bodies that received no PAIA requests during the reporting period.

The company's PAIA Manual (Section 51 Manual) was prepared in June 2026. The absence of a formally published PAIA Manual during part of the reporting period is noted and has been remediated — the manual is being published to the company's website in accordance with Section 51 of PAIA.

ANSWERS TO THE 9 QUESTIONS — PRIVATE BODY FORM

All figures below reflect the period 1 April 2025 – 31 March 2026.

Question 1: The number of requests for access received

Answer: 0

Contextual note: Proaxis Solutions (Pty) Ltd received zero (0) requests for access to information under PAIA during the reporting period. The company is a startup technology company incorporated in 2025 and has not yet received any PAIA access requests.

Question 2: The number of requests for access granted in full

Answer: 0

Contextual note: No requests were received, therefore no requests could be granted in full. Result is zero (0).

Question 3: The number of requests for access granted in terms of section 70

Answer: 0

Contextual note: Section 70 of PAIA relates to access granted to third parties to information about requesters. No such requests were received or granted during the reporting period. Result is zero (0).

Question 4: The number of requests for access refused in full and refused partially

Answer: 0

Contextual note: No requests for access were received. Therefore, no requests were refused in full or in part. Result is zero (0).

Question 5: The number of cases in which periods in section 56(1) were extended in terms of section 57(1)

Answer: 0

Contextual note: Section 56(1) of PAIA provides the standard 30-day response period for access requests. Section 57(1) permits an extension of this period in defined circumstances. No access requests were received, therefore no extensions were required or granted. Result is zero (0).

Question 6: Number of complaints lodged against the body with the Information Regulator

Answer: 0

Contextual note: No complaints were lodged with the Information Regulator against Proaxis Solutions (Pty) Ltd during the reporting period. Result is zero (0).

Question 7: Number of decisions of the Information Regulator reviewed against

Answer: 0

Contextual note: No decisions of the Information Regulator were made against Proaxis Solutions (Pty) Ltd during the reporting period. Therefore, no reviews were lodged. Result is zero (0).

Question 8: The number of applications made to every court

Answer: 0

Contextual note: Proaxis Solutions (Pty) Ltd made no court applications in relation to PAIA matters during the reporting period. Result is zero (0).

Question 9: The number of decisions of every court appealed against and the outcome thereof

Answer: 0

Contextual note: No court decisions were made against Proaxis Solutions (Pty) Ltd in relation to PAIA matters during the reporting period, and therefore no appeals were filed. Result is zero (0).

ADDITIONAL COMMENTS (Online Form)

The following comment was submitted on the online portal's "Additional Comments" field:

"Proaxis Solutions (Pty) Ltd is a startup technology company incorporated in 2025. During the reporting period 1 April 2025 to 31 March 2026, the company received no PAIA requests for access to information. This is a nil return. The company's Information Officer (Andile Khoza, Registration: 2025-058837) has been registered with the Information Regulator. A Section 51 PAIA Manual has been prepared and is being published to the company website in compliance with PAIA requirements."
